Creditor: MAIN STREET ACQUISITIONS CORP.

Original Creditor: HSBC

Account#: 0946266

Master Card 5487 5551 0726 7595

To whom it may concern:

I am enclosing a copy of the 1099-C which was issued to me on January 28, 2004 and was claimed on my income tax for that year. Per the IRS any Cancellation of a Debt must be claimed as income. The cancellation of this debt bars you from any and all attempts to again collect on the debt. Further attempts by your company, any company or individual will result in a violation of both Federal and State Laws.

Since you claim to have purchased the above account from HSBC you are now the creditor of record and as such you are liable for any and all erroneous information that is on my credit file. Unless the information is not corrected I will be forced to take whatever legal action is necessary to protect my rights.

Also, you are already in violation of Florida Law which requires all collection agencies doing business in this state to be registered with The Department of Financial Regulations which there is no record that your company has complied with State Law.

While I prefer not to litigate, I will use the courts as needed to enforce my rights under the FDCPA.

I look forward to an uneventful resolution of this matter and that you will not contact me again concerning trying to collect on this debt.

I **HEREBY CERTIFY** that a true and correct copy of the foregoing has been furnished to First National Collection Bureau, Inc, 610 Waltham Way, Sparks, NV 89434 via FAX on this 2nd Day of March 2009.
